

New Reception Staff

Please welcome to reception, our new apprentice Lewis who started with us recently and now Peter who has just joined us on reception.

Please be patient if this causes a slight wait as Peter and Lewis are being trained.

Lewis and Peter are a very welcome addition to the team and we wish them well in their new roles.

Repeat Prescriptions Online

As most of you will now know, we no longer take prescription requests over the telephone, Have you registered for

Online Prescription Requests?

It's simple and easy to use and is accessed from our website, just ask at reception for a registration form to get you started.

PATIENT PARTICIPATION GROUP

We have a small patient group but are always looking for members to join and welcome feedback from patients .

The group aim to meet approximately 6 times a year to discuss patient needs and the services we provide. We are constantly looking at different ways to improve the patient experience and this forum gives the group the opportunity to have their say and offer improvements and suggestions.

Your commitment is purely on a voluntary basis and you can give as little or as much time as you wish! Why not join us for an informal chat! If you are interested, please contact the PPG Chair, Rob Kirkwood on 07855 151 658 or leave your contact details with reception.

The group has recently joined NAPP, the National Association of Patient Participation, and are looking at new ways to develop the group in support of patients and working towards improved communication between patients and the practice.

Patient Satisfaction Survey

Yes, it's that time of year again when we ask patients to complete one of our questionnaires to provide extremely important feedback to the practice. We are working together with the Patient Participation Group to encourage patients to give an honest review of their healthcare and the practice.

Any comments are welcome and we appreciate your participation in this survey. The survey only takes a few minutes and is available on our website www.drhc.org.uk or ask for a form at reception.
