and practical solutions
for people looking
after someone
with dementia

Dementia specialist Admiral Nurse Clinics

Dementia UK provides specialist dementia support for families through our Admiral Nurse Clinics.

If you're caring for someone living with dementia you can call or email your local Admiral Nurse Clinic to make an appointment, to seek specialist advice, support and clinical guidance about dementia, in confidence. Admiral Nurses have the skills, knowledge and experience to talk about, amongst others:

- understanding the diagnosis, plus practical tips and advice for caring for a loved one with dementia
- transition into nursing or residential home, or stays in hospital
- understanding symptoms and changes in behaviour, and managing your own feelings

Call **0115 666 8960** or email nottinghamclinic@dementiauk.org

Opening hours: Monday to Friday 9am until 5pm

By engaging with the service you are agreeing to our terms and conditions and privacy notice, which can be found on our website. If you have difficulty accessing these you must tell us before your clinic appointment. Dementia UK is a registered charity in England and Wales (1039404) and Scotland (SCO47429).
